

Hip, hop, hooray! It's Easter today!

Spring is my very favorite time of year
While you were busy sleeping, I was spreading Easter cheer!

I hopped near, I hopped far, and everywhere in between
Do you know how hard it is to deliver goodies and not be seen?!

For you, little bunny, I've left a special surprise
Lots of pretty eggs hidden in sneaky disguise

You'll have to think hard; be quick on your feet
In each egg you'll find a clue and a sweet Easter treat

Where this hunt will take you, nobody knows
But it leads to a treasure... So go, bunny, go!

Good luck and Hoppy Easter!
